

Overall, American Indians and Alaska Natives who worked full-time, year-round earned less than the total population.

- The median earnings of American Indian and Alaska Native men (\$28,900) and women (\$22,800) who worked full-time, year-round were substantially below those of all men (\$37,100) and women (\$27,200).
- Among the tribal groupings for men, Iroquois, Cherokee, Chippewa, Choctaw, and Creek had median earnings of about \$30,000.
- The median earnings of Alaska Native men and women were higher than those of American Indians. The median earnings for men for each of the Alaska Native tribal groupings were comparable. The median earnings for women also were comparable across Alaska Native tribal groupings.
