

The median value of owner-occupied homes for American Indians and Alaska Natives was about \$95,000.

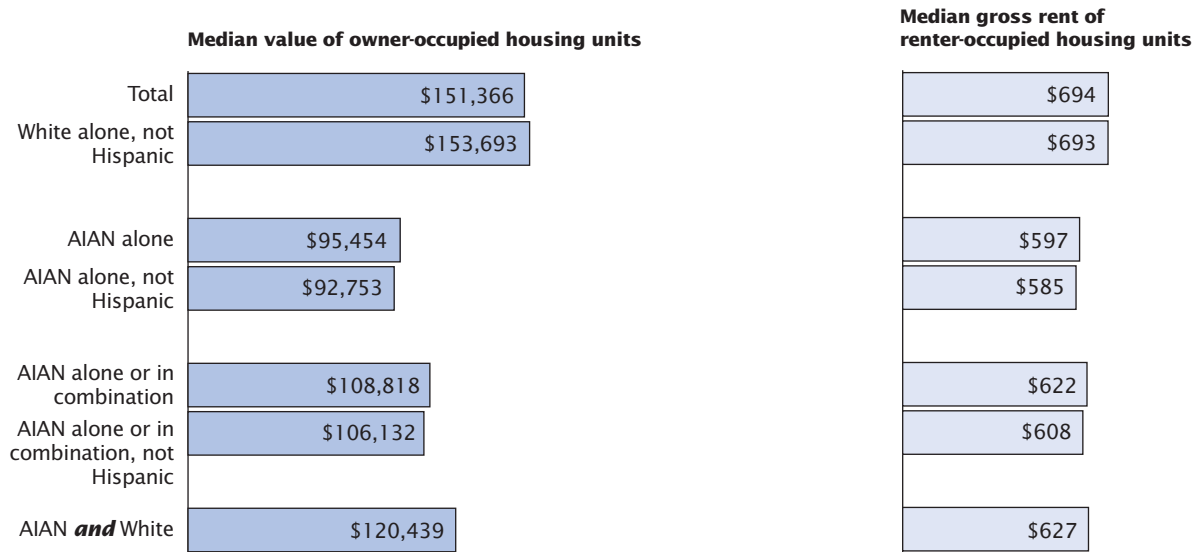

- The median value of American Indian and Alaska Native owner-occupied homes was about \$95,000, compared with a median value of about \$154,000 for non-Hispanic White owner-occupied homes.¹⁶
- The median monthly rental payment of American Indian and Alaska Native households in renter-occupied homes was about \$597. In comparison, the median monthly rental payment made by non-Hispanic White households was about \$693.¹⁷

¹⁶ Differences between the geographic distribution of American Indians and Alaska Natives and non-Hispanic Whites may affect home values and rental costs.

¹⁷ The monthly rental payment represents gross rent (i.e., the amount of the contract rent plus the estimated average monthly cost of utilities and fuels).
